

**1<sup>st</sup> of April, 2016 – Narelle Walker**

We regret to advise the sudden passing of Narelle Walker (Storm), GL Wingham and ADC Manning.

Narelle was 47 years old and well known in Scouting as an active member of the Hunter and Coastal team. She was greatly respected for her capacity to be "on the ball" and get the job done effectively. The Region's thoughts and prayers are with her husband, Greg, and their children.

Further information regarding the funeral will be forwarded as soon as details become available.
